## REPUBLICAN CANARD FAILS IN PURPOSE

M. W. Mix is Enthusiastically for Wilson—Rumors to the Contrary Unfounded.

Melville W. Mix, president of the Dodge Mfg. Co., and one of the largest employers of labor in the county, is enthusiastically for President Wilson and the democratic party, notwithstanding the industriously circulated rumors by local republicans, that he had expressed himself as being for Hughes.

The News-Times has been authoritatively asked to state that the rumors that Mr. Mix had signed his change of allegiance to the Hughes band wagon, have absolutely no foundation.

That the canard was started by over zealous republicans in the hope that it might help stem the onward rushing tide of Wilson sentiment throughout the city, is not denied. The story has been often repeated the past few days or since Mr. Mix returned from an eastern trip of a month's duration, and reaching that gentlemen's ears, he at once took steps to repudiate it.

The republicans had evidently hoped that this one last card would avail them some votes in the event of a contradiction not being forthcoming from the party most interested, but they had hoped against hope. Mr. Mix will vote as he usually does on election day—the democratic ticket.

## ROSS BEATS TONNEMAN IN STRAIGHT FALLS

Wiry Mishawaka Grappler is Too Much for Illinois Champion.

In beating Ted Tonneman, middle weight champion of Illinois, before a good sized crowd at the Century theater last night, Adren "Kid" Ross, the Mishawaka wrestling star, disposed of one of the best men in the game and took one step toward his ultimate goal—the world's championship.

Ross had no easy time with the Illinois "champ," who kept the hoosier grappler guessing frequently, but his knowledge and strength proved too much for the visitor, who was beaten in two straight falls, the first in 23 1/2 minutes the second in 10 1/2 minutes. The entire hold was used in throwing Tonneman in both bouts, the arm scissors together with a half Nelson.

This makes the second defeat for Tonneman at the hands of Ross. Three years ago at Columbia City, Ind., Adren beat him, two out of three falls. In making his fight for the world's title, Ross will be forced to encounter such men as Billy Schober of Indianapolis, who now claims the "belt," Chris Jordani of Nebraska and Charles Rentorp of Minnesota. These three wrestlers are considered the best in the wrestling ring today.

Between bouts Referee Earl Britton, South Bend V. M. C. A., introduced the "Great Darro," who wrestles Zbysko at Hungarian hall, South Bend, next Wednesday night. In the preliminaries Jones of Mishawaka lost a handicap match to Smith of South Bend, who threw him in 30 minutes, as he agreed to do. It took six and half minutes for the first fall and 18 1/2 minutes for the second. Carl Haney, a Mishawaka boy, easily defeated Deal of Van Wert, O., in two straight falls. The first in four minutes and the final in six minutes.

**"I'M LIKE NEW"  
LOVELL ASSERTS**

Friends Congratulate Local Man on Recovery Through Use of Tanlac.

Friends of William Lovell, 73 years old, a well known Mishawaka man who lives at Union and Seventeenth streets, are extending him congratulations because of his recent recovery from illness through use of Tanlac, the Master Medicine hundreds of Mishawaka people have found so beneficial.

Mr. Lovell's recovery is an interesting story of Mr. Lovell's heretofore in his own words: "For years I have suffered from stomach and liver trouble and my kidneys also have been out of order for some time," Mr. Lovell said. "My appetite was very poor and what little food I did eat would just lay in my stomach and not digest properly, causing severe pains. My liver was in such poor condition that I had to take pills each evening to keep working properly."

Several friends told me about Tanlac and on their recommendations I decided to give this medicine a trial. I've taken less than one bottle of Tanlac now but I feel like a different person in every respect. I sleep soundly and peacefully now from the time I get in bed until my usual hour for arising. I can eat anything I care for with no bad effects. My food is digested properly now and my bowels are regular. My liver also is doing its work properly now.

"I'm sure others who suffer as I did will find Tanlac beneficial and I recommend it to all."

"This statement by Mr. Lovell calls to my mind innumerable cases of aged people who have found Tanlac most beneficial."

The Tanlac man, who is meeting the public of Mishawaka at the Red Cross Pharmacy, said yesterday, "Tanalac, however, is equally good for old and young, and thousands of men and women of all ages and from every walk of life are praising it because of relief from stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, loss of appetite and the like they have derived through its use."

Tanalac is now being introduced in Mishawaka at the Red Cross Pharmacy where a special Tanlac representative is explaining the new medicine to crowds daily.—Adv.
